

**Subject: The European Union REACH Regulation**

According to the prescription of European regulations REACH No. 1907/2006 (Registration, Evaluation, Authorization and Restriction of Chemicals) in effect in European Union (EU) and European Economic Area (EEA) countries, regarding the use of substance of very high concern (SVHCs) in compliance with article 33 (paragraph 1) of REACH Euro Technologies declares that:

The articles that we can provide do not contain substances till now identified as SVHC and published in the list available to the address

[http://echa.europa.eu/chem\\_data/authorisation\\_process/candidate\\_list\\_table\\_en.asp](http://echa.europa.eu/chem_data/authorisation_process/candidate_list_table_en.asp)

in a concentration above 0.1% (w/w).

Euro Technologies continues the activities currently in course with our own suppliers with the goal to guarantee the respect than previewed in regulation REACH.
