

Subject: The European Union REACH Regulation

According to the prescription of European regulations REACH No. 1907/2006 (Registration, Evaluation, Authorization and Restriction of Chemicals) in effect in European Union (EU) and European Economic Area (EEA) countries, regarding the use of substance of very high concern (SVHCs) in compliance with article 33 (paragraph 1) of REACH including all amendments up to and including the 240 chemical substances on the 23rd January 2024 candidate SVHC list Euro Technologies declares that:

All articles provided by Euro Technologies srl do not contain substances till now identified as SVHC and published in the list available to the address

<https://echa.europa.eu/it/candidate-list-table>

in a concentration above 0.1% (w/w).

Euro Technologies continues the activities currently in course with our own suppliers with the goal to guarantee the respect than previewed in regulation REACH.
